Do

- Bring essentials like reusable bags, a water bottle, and your wallet so you're prepared.
- Set aside enough time, pre-loved shopping can take longer, and that's part of the experience.
- Explore the whole store, including less obvious areas, as hidden gems can be anywhere.
- Stay open-minded you might discover unique pieces when you're not focused on one specific item.
- Check out accessories like hats, scarves, jewelry, and sunglasses to complete outfits.
- Get creative if something isn't perfect, you can often adjust or DIY it to suit your style.
- Enjoy the process pre-loved shopping is about finding one-of-a-kind items and giving them a new life.

Keep in Mind

- Choose sizes thoughtfully so everyone has a fair chance to find what they need.
- Be considerate in shared spaces like charity shops, where many people rely on affordable clothing.
- Return items to their original place to keep the store organised and make things easier for others and staff.
- Focus on quality over quantity pick items you'll wear and enjoy often.
- Shop mindfully being intentional helps you build a wardrobe that's both stylish and sustainable.
